

Moving inventory list

Number every box, fill in a row as you seal it, and tick it off on moving day.

Name _____

Moving day _____

From _____

To _____

[illegible]

Moving inventory list (more boxes)

Print this page as many times as you need.

[illegible]

Furniture and big things

What isn't in a box, with how it looked before the move. Photograph each one, and note any scratches or dents.

[illegible]

Pax's tip

Snap what goes in each box and BoxTrack lists it, with values. Each box gets a QR label: on moving day, scan each one as it comes off the truck to see which are still missing. Your first box is free at box-track.com.
