

Storage unit inventory list

Number every box, write down where it sits, and keep a copy with you at the unit.

Facility _____

Unit no. _____

Unit size _____

Insurance

Storage unit inventory list (more boxes)

Print this page as many times as you need.

Map of your unit

Write each box's number where it sits, and mark the shelves, the furniture and the path to the back.

BACK

[illegible]

DOOR

Furniture and big things

What isn't in a box: furniture, bikes, appliances. Photograph each one, and note any scratches or dents.

Pax's tip

Give each box a QR label and snap what goes in. At the unit, scan a box to see what's inside without opening it, or search for anything to see which box it's in. Your first box is free at box-track.com.
